Name Surname

*For participation at Youth in Western Balkans
Intercultural Exchange*

The aim of the project Youth in Western Balkans - a Virtual Postcard is to increase intercultural and media literacy competences of youth by organising moderated virtual learning and discussion exchanges focused on debunking stereotypes and harmful narratives of the others perpetuated by online media and social networks.

Congratulate! By participating at the virtual exchange, meeting your peers from the Western Balkans region and learning about stereotypes, prejudices and how to overcome them, you received a basic intercultural competences.
